PARALLEL WORK SESSIONS / DETAILED SCHEDULE

Room A — Session 5 — Chair: Antoinette Rouvroy

Editorial and Theoretical Pluralism

Time	Speaker	Abstract title
14:00–14:15	Ha Young Sook & Park Eun Ho	Artificial Intelligence and the Catholic Church: Magisterial Perspectives on Technology and Peace
14:15–14:30	Darius von Güttner	Human Dignity and Artificial Intelligence: Historical Perspectives on Peace in the Digital Age
14:30–14:45	Yvonne zu Dohna Schlobitten	Bildung come fiducia e IA: l'IA può aiutare le persone a vivere in pace?
14:45–15:00	Nicolás Saá Muñoz	The Face and the Data: A Personalist Bioethics of Artificial Intelligence for Peace
15:00–15:15	Youngjin Jin	The Ethics of Naming Artificial Intelligence: Human Identity and Epistemic Trust in the Digital Age
15:15–15:30	Hugolin Bergier	Verisimilitudo blandiens: Flattering Plausibility and the Epistemic Conditions of Peace
15:30–15:45	Pablo Ruiz Osuna	From Robot Rights to Ecological Duties
15:45–16:00		Discussion
16:00–16:30		Coffee break
16:30–16:45	Maria Antonietta Castaldi	Seeing the Unseen: Fetal Consciousness and AI-Assisted Detection of Escape Reactions
16:45–17:00	Marianne N. Abou-Jaoude	Peace Through the Digital: A Galtungian Study of the Digital Oath as Positive and Collaborative AI Ethics
17:00–17:15	Benotti	Informed Peace: Catholic Journalism as a Heuristic Case for Human-Centred AI Governance Against Algorithmic Disinformation
17:15–18:00		Discussion

Monday, 21 September

02

PARALLEL WORK SESSIONS / DETAILED SCHEDULE

Room B — Session 2 — Chair: Antonio Marturano

AI for Preventing and Resolving Conflicts I: War, Escalation and Human Control

Time	Speaker	Abstract title
14:00–14:15	Evans Sagomba	Philosophical Analysis of AI in War Initiation through the Lens of Just War Theory
14:15–14:30	Yen-Ping Shan	The Skynet Challenge
14:30–14:45	Nicoletta Iacobacci	The Pause Protocol: A Counter-Architecture for Peace
14:45–15:00	Alexander Hofmann	The Judge Protocol: Making Human Authority over AI Enforceable
15:00–15:15	Florian Dunkel & Augusta Nannerini	AI as Situated Peacebuilding Practice: Advising, Sense-Making and Challenging
15:15–15:30	Nicole Junkermann	Un patto civico per l'era dell'informazione
15:30–15:45	Francesco Iannuzzelli	Intelligenza artificiale per la pace e il disarmo: l'esperienza di PeaceLink
15:45–16:00		Discussion
16:00–16:30		Coffee break
16:30–16:45	Ksenia Laputko	Human Dignity by Design: A Governance Model for Peace-Oriented AI
16:45–17:00	Daniele Pulcini	AI Interaction: Human-AI relationships, risks, and a pathway to peace
17:00–17:15	Michele Di Paolantonio (IPPNW Italy)	Testimonianza alla conferenza AI4Peace su prevenzione della guerra nucleare non intenzionale e rapporto AI/armi nucleari
17:15–18:00		Discussion

Monday, 21 September

02

PARALLEL WORK SESSIONS / DETAILED SCHEDULE

Room C — Session 3 — Chair: Diana Koroleva

Ethics and AI I: Fairness, Rights and Legal Accountability

Time	Speaker	Abstract title
14:00–14:15	Gianmarco Casciotta	Building Fair AI: From Algorithmic Bias to Cognitive Autonomy
14:15–14:30	Daniela Marrani	AI between Ethical and Legal Principles: The Role of the Interpreter in Human Rights Doctrine
14:30–14:45	Studio legale Colacino	Intelligenza artificiale e protezione dei diritti fondamentali
14:45–15:00	Aisha Kalsabayeva	Shadow AI and Civil Liability: Rethinking Privacy Protection and Contractual Responsibility
15:00–15:15	Patrick Keyzer & Pompeu Casanovas & Mustafa Hashmi	For Human Rights to Work, AI Must Be Accessible — Open
15:15–15:30	Olga Egorova	AI and the Trust Equation: Rethinking Education and Training in the Age of Intelligent Systems
15:30–16:00		Discussion
16:00–16:30		Coffee break
16:30–16:45	Juan Enrique Jiménez Fernández-Villamil	From Machine to Bond: AI in the Corporate University and Business as a Peace Agent
16:45–17:00	Seongho Kang	True Virtue and the Theological Singularity of the Person: Jonathan Edwards's Virtue Ethics in the Age of AI
17:00–18:00		Discussion

Monday, 21 September

02

PARALLEL WORK SESSIONS / DETAILED SCHEDULE

Room D — Session 4 — Chair: Nicoletta Iacobacci

AI as Decision Support I: Governance, Institutions and Democratic Participation

Time	Speaker	Abstract title
14:00–14:15	Annalisa Ciampi	The Evolution of State Sovereignty: Technology, Peace and Human Rights
14:15–14:30	Leonardo Lazzaro	Architectures of Peace: Centralization, Distribution, and the Structural Politics of AI Governance
14:30–14:45	Robert Castrucci & Antonio Mauro & Raffaele Nicolussi	AI, Public Value, and the Missing Authorizing Environment in European Public Administration
14:45–15:00	Madi Myltykbaev	The Right of Access to Legal Information and AI in Lawmaking
15:00–15:15	Ioana Pricopi	AI, Public Procurement and Peace: A Legal Framework for Resilient Critical Infrastructures
15:15–15:30	Valeria Lazzaroli & Luciano Tarantino & Fabrizio Abbate	From Algorithmic Risk to Social Stability: Multilevel Governance Models for AI-Driven Peace Infrastructures
15:30–15:45	Ana Maria Ganev	Three at the Table: AI as Cultural Mediator in Diplomatic and Clinical Settings
15:45–16:00		Discussion
16:00–16:30		Coffee break
16:30–16:45	Giampiero Zito	Digital Trust Systems as Infrastructures of Commercial Diplomacy
16:45–17:00	Flavio Illuzzi	People Mediator for Peace: An Organisational Model for Peace-Oriented AI Governance
17:00–17:15	Paolo Giuliadori	Algorithms and Democracy: A Call for a New Type of Human Being
17:15–18:00		Discussion

Tuesday, 22 September

03

PARALLEL WORK SESSIONS / DETAILED SCHEDULE

DAY 2 - 22 SEPTEMBER 2026

Time: 9:30 - 11:00

Room A — Session 1 — Chair: Antoinette Rouvroy

Editorial and Theoretical Pluralism

Time	Speaker	Abstract title
9:30–9:45	Takeo Harada	AI, Governance, and the Persistence of War: Why Institutional Design Matters
9:45–10:00	Carlos Javier Regazzoni	The Sovereignty of Objectives: AI Governance, Structural Asymmetry, and the Political Conditions for Peace
10:00–10:15	Antonio Virgili	Methodological Considerations on AI Governance and Global Regulation
10:15–10:30	María Victoria Fernández Molina & José Rafael Grijalva Eternod	Proportionality as a Normative Methodology for Ethical AI Governance
10:30–10:45	John Pestian	Peace from the Person Outward: AI That Reasons Within Cultural and Religious Traditions
10:45–11:00		<i>Discussione conclusiva</i>

Tuesday, 22 September

03

PARALLEL WORK SESSIONS / DETAILED SCHEDULE

Room B — Session 2 — Chair: Antonio Marturano

AI for Preventing and Resolving Conflicts II: Protection, Rehabilitation and Social Resilience

Time	Speaker	Abstract title
9:30–9:45	Claudia Amoruso	The Echilo Model: An Algorithmic Infrastructure for Social Peace
9:45–10:00	Stephen Antony Venansious	From Algorithethics to AI Guardrails: AI-Powered Child Protection
10:00–10:15	Joseph Eric Mathis	Aiôn: Participatory Ecological Intelligence and the Democratization of AI Governance from the Soil-Up
10:15–11:00		<i>Discussion</i>

Room C — Session 3 — Chair: Diana Koroleva

Ethics and AI II: Bioethics, Vulnerability and Human Life

Time	Speaker	Abstract title
9:30–9:45	Silvana Bencivenga	Intelligenza artificiale e vulnerabilità umana: ripensare la cura oncologica come costruzione della pace a livello micro-sociale
9:45–10:00	Luisa Infante & Francesco Trapasso	Algorithms of Life: AI in Genome Editing for Global Biological Peace
10:00–10:15	Olga Shugayeva	The Paradigm of Meaning: AI-Driven Neuromodulation and Ethical Integrity in the Era of Radical Longevity
10:15–10:30	F. Nazar	Artificial Intelligence, Natural Law and the Intrinsic Value of Human Life
10:30–10:45	Grégoire Wieërs	Health as Root and Fruit of Peace: A Global Bioethics for Artificial Intelligence in Healthcare
10:45–11:00		<i>Discussion</i>

Tuesday, 22 September

03

PARALLEL WORK SESSIONS / DETAILED SCHEDULE

Room D — Session 4 — Chair: TBA

AI as Decision Support II: Economy, Organisations and Structural Peace

Time	Speaker	Abstract title
9:30–9:45	Giuseppe Mascioli	A Study Centre for a Unitary Theory of Knowledge
9:45–10:00	Juan Enrique Jiménez Fernández-Villamil & José Luis Rodríguez Sánchez & María Carmen de la Calle Durán	Los secondments desde la universidad corporativa para fortalecer el engagement
10:00–10:15		Discussion

Room D Special session

Informational Power: Artificial Intelligence, Global Digital Power, and a Constitution of the Earth

Time	Speaker	Abstract title
10:15–10:30	Luigi Marini	
10:30–10:45	Francesco Vincenti
