Subject: Your letter of 10 June 2016 to Commissioner Margrethe Vestager concerning Ilva (case SA.38613).

Dear Mrs Battaglia,

Thank you for your letter of 10 June 2016 to Commissioner Margrethe Vestager and information submitted as regards the recently adopted Law Decree n.98 "*Disposizioni urgenti per il completamento della procedura di cessione dei complessi aziendali del Gruppo ILVA*". On her behalf, I would like to inform you that DG Competition is fully aware of the latest developments on the ongoing process expected to lead to the sale of Ilva. In the context of the ongoing formal state aid proceedings, DG Competition is assessing the latest amendments to the law and their possible implications. I take note of your concerns as regards the prolonged sale process and its possible negative impact on the financial situation of Ilva.

Peacelink's up to date submissions and analysis of the situation are very much appreciated.

Yours sincerely,

Joachim LÜCKING
Head of Unit
