

After the meetings held in the 2002 ESF (Florence) and in the 2003 ESF (Paris), we would like to continue reflecting on the role of religions in building the future Europe. We hope that Europe will become a sign and an instrument of justice and peace for the whole world. As social movements we are engaged in this challenge!

Come with us!

**16 October 2:00 – 4:00 pm
LONDON**

(Alexandra Palace Exhibition Centre, Muswell Hill)
